3 Your committee, the Committee on State finance,
4 had a similar section both covering the same area. I don't
5 think that the Committee on Style has made here any sub-
6 stantive change. It has made only stylistic changes.

7 One of the matters before it would be the
8 question of arrangement as well as the question of stylistic
9 change within a section, and it would have the authority
10 to recommend to the Convention that either this provision
11 not be included in this section and that reliance be had
12 entirely on a section similar to 8.01(b) or the converse.

13 I take it that the chairman has indicated the
14 intention of the Committee on Style insofar as arrangement
15 is concerned that the converse be followed -- namely, that
16 it be in this section and elsewhere, and not in a separate
17 section. That question would be submitted to the Convention
18 for decision. I suggest to you that the proper time to
19 consider it would be when the report of the Committee on
20 Style, Drafting and Arrangement as to Section 8.01 is
21 before you. In other words, if they recommend at that time
